ClickShare CX-50

High-end wireless conferencing for large meeting spaces and boardrooms

- Interactive features: touchback, annotation and blackboarding
- Increased collaboration with 2 sources on screen
- Advanced network (dual Wi-Fi) and AV integration
- HDMI input for highquality content sharing
- 100% secure, encrypted and cloud managed

ClickShare CX-50 enables wireless conferencing in large meeting spaces and board rooms. When you walk into the meeting room, ClickShare automatically connects you to room devices like cameras, mics, speakers, sound bars and displays.

Start a meeting from your laptop within seconds, using your preferred video conferencing platform. Make hybrid meetings easy, with just one click on the ClickShare Button or the ClickShare App, both for employees and guests.
